TO WHOM IT MAY CONCERN

I am writing to provide a professional reference for Clarence A. Greene. I have known Mr Greene for more than ten (10) years and have found him to be a person with a good moral and ethical foundation. He is well organized and has developed many positive qualities.

In my experience as Human Resource Director, I have the pleasure of attending several seminars. One such seminar entitled "Look Beneath The Surface" was conducted by Clarence Greene.

Mr Greene is an electrifying public speaker. His passion for the subject matter is infectious. All attendees gained a fresh perspective on the social ills affecting society and the safety measures that should be implemented. He defends those who have difficulty to defend themselves and guarantees that the weak feel empowered and encouraged.

He has effectively and successfully hosted many community awareness programs in the United States where he resided for a while and also in Trinidad and Tobago. As a member of the Seventh-day Adventist Church, he is well connected with the Seventh-day Adventist organization and on occasions worked along with the Counter Trafficking Unit in the Ministry of National Security hosting programs on Human Trafficking.

It is my pleasure to give Clarence A. Greene my highest recommendation. He will deliver valuable information in an inspiring manner.

Yours sincerely,

Debra Felix
Human Resource Director
