10th August 2021

Sir,

REQUEST TO GRANT YOU LIVE GLOBAL TELEVISION INTERVIEW

The Impact Africa Television Network, an arm of Impact Africa Education Foundation South Africa and our global multi-media streaming service for radio and television wishes to grant you a Live Television interview of 45-50minutes on your community work and vision for your people on any day and time of your choice.

We are using tools that most of the global community are already using, combined with the technology we have developed in Trinidad and the United States to be able to broadcast your information from our studios to anywhere on the planet and also directly to the smart devices and phones of the citizens of your country and your community, thereby **making** accessible and easy to connect to those you are trying to reach and influence.

We also have as part of our network a global inter-connected network of services makes it easy for our global clientele to connect to dialogue business; politics, religion amongst other types of discussions **throughout** international conference call system that can accommodate up to one thousand participants and 55 international phone numbers, **and** also a website with 65 languages.

Our organization, fondly called Impact Africa Network globally was founded in November 2006 in South Africa as a result of improving the lots of African communities and to uphold the Africa ethics, values and literature.

In acronym, IMPACT represents: I – Information; M – Moral Regeneration; P – Patriotism; A – Alliance; C – Community; T – Tolerance.

As a Non-Profit Organization and in representation of its Acronym I.M.P.A.C.T; we have registered and legitimized the following functioning organizations in South Africa, Nigeria and United States under the Companies and Intellectual Property Commission:

Impact Africa International Churches – Motto: to empower the Africa devastated communities and the less privileged;

Impact Africa College of Bishops – Motto: service is the greatest leadership;

Impact Africa Education Foundation – Motto: Empowering Knowledge and changing mindsets;

Impact Africa Television Network – Motto: Information is effective knowledge and tool for communication;

Impact Africa Technical University – Motto: Acquiring Education and knowledge through Career and Skills.

All the Impact Africa organizations above summarily are created to promote and empower Africans through education and literature that motivate, encourage discipline and change life; To educate and promote non-tribalism; non-racial; non-segregation; and non-discrimination of human being; To educate and promote basic human rights in accordance with the United Nations Universal Declaration of Human Rights among African communities; To promote and respect African cultures that are not barbaric; To find ways of helping in sending relief and aid to the African war ravaged and infested areas; To promote the integrations of kingdom minded believers through inter religious organizations; To promote tolerance and respect by Africans for other religious sects in their faith, views, and opinions in the society; To promote reconciliation of various African religious sects and to enhance their working in unity and love irrespective of their different orientations, doctrines and backgrounds; To promote ministerial partnership, fellowship, and friendship among kingdom minded people across Africa and beyond for greater impact; To remove falsehood, materialism and the recycling of mediocre in the Church; and to strictly help students develop self-independence, remove ignorance, and selfish practices by making training students to become valuable stakeholders in their communities and society at large through empowering their minds to expand and think.

Your broadcast on Saturday will be at your own comfort, space and environment which you shall choose. We only need to call you on your WhatsApp video and broadcast you live to interview you and watched by your people across the globe.

We shall require you to send us your comprehensive profile and how you wish us to address you and the specific questions or things you would love to speak about.

Any financial gift or support from you will go a long way to assist us in the maintenance and powering of our plant and telecommunication system of running our Radio and Television Studio which involves tremendous finance.

We thank you in advance while looking forward to confirm from you on the interview.

Faithfully,

Professor Archbishop Chidiebere Anelechi Ogbu
