**TO WHOM IT MAY CONCERN**

Dear Sir/Madam:

This is to certify that I have known Mr. Clarence A. Greene for approximately twenty (20) years and has served the Seventh-day Adventist Church for more than 30 years in various capacities of leadership. However, I have had the opportunity to interface with him closely as he hosts and does presentations on various topics on Community and Youth Awareness, Education, Human Trafficking and Deterring Traffickers to name a few.

During this time I have found him to be a very resourceful individual who is intent on making a difference in the lives of those with whom he interacts. Mr. Greene is a respected and respectful individual who exhibits a high level of responsibility to those in authority and lives by high moral and ethical standards. Further investigation with his peers reveals a humble yet firm and affable disposition.

He demonstrates a commitment to service that is par excellence and his passion for empowering individuals will adequately position him for excellent service in whatever capacity he is called to function in. I therefore, have no hesitation in recommending him as worthy of your trust and consideration.

Yours faithfully

LESLIE MOSES  
President
